1958

25X1 1. James Kleffen telephoned to say that Senator Malone was desirous of assistance from the Agency in connection with the Russian language Code of Customs and Tariffs. Arrangements have been made for [] of ORR to review the Code and discuss it with Kleffen.

25X1 4. Mr. Charles Parker, Bureau of the Budget, called to advise that he had received a letter from the Civil Service Commission containing the Commission's comments on our proposed order exempting the Agency from certain provisions of the Training Act. Mr. Parker offered to make a copy of this letter available to us on an informal basis. The letter was picked up and Mr. Parker has been advised that we appreciate the copy of the letter but will stand on the Director's letter of 8 December to the Bureau. It is expected that the Bureau will ask us for our formal comment on this letter.
